1. Be calm my soul, faint not with care Though bur - dens  
2. Be calm my soul, melt not in fear, Though shad-ows  
3. Be calm my soul, rest in Him sure. No wave of

deep our hearts would tear; He is the Lord,  
dark press in so near, Yet in des - pair  
doubt His words en - dure; My long - ing soul

all He com - mands, He hold - eth me Safe in His hands.  
I see His light; Lead me, O Lord, with won - d'rous sight.
